Dear Sir,

It has come to the knowledge of Govt. that the instructions issued in the Local and Legislative Secretary's letter No. L. 2135 dated the 16th September 1926, in regard to the preparation of electoral rolls for election to the District Boards from the general constituencies seem to have been mis-understood and persons residing in Municipal -- Towns have been excluded from the list though they pay land revenue in respect of lands situate in the general constituency. The intention of the letter (referred to) was to exclude only those whose sole qualification was baiment of land revenue in respect of lands in municipal limits. It is to be stated that as regards payment of land revenue or mohatarfa-tax in a general constituency no residential qualification is required vide sub-clauses i to iv of schedule ~~III~~ II appended to the Regulation and residential qualification in a general constituency is required only in regard to those coming under sub clauses V to VII of the said ~~xxxxx~~ schedule. This principle may be observed in revising the list of voters.

Yours sincerely,

To

The D.C. Hassan.
